TRANSMITTAL OF SUBSTITUTE SPECIFICATION (37 CFR § 1.125)

Enclosed is a substitute specification for the originally filed specification in the application. This substitute specification is being voluntarily submitted in order to facilitate the processing of the application. Also enclosed is a marked-up copy of the substitute specification showing the changes being made to the specification.

STATEMENT

I hereby state that the accompanying substitute specification contains no new matter over that contained in the above identified application originally filed. I further state the the changes made are the same as indicated in the interlineated substitute specification also accompanying this statement, except for the addition of paragraph numbers of the form [XXXX].

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Daniel B. Curtis", written over a horizontal line.

Daniel B. Curtis
